In order to qualify for consideration for the APBA Hall of Champions (HOC), an offshore team (driver and throttleman) must win a national high point championship (minimum of four APBA sanctioned races) or a divisional high point championship (minimum of 3 APBA sanctioned races). Among the teams that are qualified for possible inclusion in the HOC two members (driver and throttleman) shall be selected from the National Classes; two members (driver and throttleman) shall be selected from the Bracketed Classes. Candidates must be from the same team, racing in the same boat. Substitute drivers or throttlemen are not allowed for HOC except in cases of extreme hardship. Hardship is defined as serious injury to a driver or

throttleman that puts the driver or throttleman out for the rest of the season, a death of a driver or throttleman, or a death in the immediate family of a driver or throttleman. The award is bestowed on drivers and throttlemen only. A minimum of one APBA offshore team will be inducted into the APBA Hall of Champions each year. In order to be consider for the HOC, a class must have a minimum of three (3) distinct boats participate in the class during the course of the season (November 1 – October 31). (This does not require three boats at any given event. It does require three distinct

boats during the course of the season.)

National Classes HOC: The driver and throttleman chosen from the National Classes are based on the following criteria:

- 1) national high point championship (minimum of four APBA sanctioned races): 50 points
- 2) UIM world championship: 45 points
- 3) championship at the APBA national championship event: 30 points

--- Did not attend Race

- 4) Kilo record: 25 points
- 5) high point championship in National Class with highest number of participating teams within APBA: 10 points.

Bracketed Classes HOC: The driver and throttleman chosen from the Bracketed Classes are based on the following criteria:

- 1) national high point championship (minimum of four APBA sanctioned races): 50 points,
- 2) UIM world championship: 45 points
- 3) championship at the APBA national championship event: 30 points
- 4) high point championship in the Pro-Am Class with highest number of participating teams within APBA: 10 points.

The "Run What You Brung" race in Lake Ozark, MO, was ran as a Special Event and NOT "Extreme" class and therefore is NOT eligible for points towards APBA HOC
